	The purpose for the meeting is to visit the space at Century Link and discuss ways they have been innovative.
	The group set up a meeting with Century Link to explore their new building and prompt thinking about how this center could facilitate innovation. Management at Century Link discussed their evolution from the original building to the new building designed to promote collaboration and innovation. The group took a brief tour of the new building and were able to ask questions regarding the development and maintenance of the building.
	The committee concluded the tour and left it open for potential return and possible future collaboration with Century Link and the Faculty Innovation Center.
