EDUCATOR WORKFORCE REPORT METHODOLOGY

The Educator Workforce Report provides school system leaders with a field of data to help inform decisions regarding the educators and education leaders in their school systems.

All charter schools were excluded from data in tables with reference to certification status. All other tables include data for all schools in the state where information was applicable.

WHO IS INCLUDED IN THIS REPORT?

This report includes data on teachers and leaders who are employed in the 2017-2018 school year.

- Includes all Louisiana public schools who had teachers reported in PEP and who had a school report card produced
