You should establish one or multiple proxies to approve time in your absence.

Banner will only take leave that is available in the leave buckets, and then go to a leave without pay status once all of the leave has been exhausted. It is the supervisor's responsibility to review employee leave balances before approving leave requests.

You can sign into Banner Self-Service and approve electronic leave requests through the "Approve or Acknowledge Time" selection criteria. All electronic leave requests must be approved before the pay period opens.

Sick leave requests can be approved through web time entry and document approval through the comments section.
